3233, 3240 & 3241 Lock Box Description:

These original shipping container lock boxes will keep your stored belongings safe and secure. The Insta lock box is the first shipping container lock box designed to be bolt on, and is the preferred lock box of choice by container retailers. Lock boxes are best used with the Insta Block lock 8081, Insta Puck lock 6272, masterlocks 6850, 6271, and sobo lock 8080, however other locks will work.

***Warning** - All products that require installation or fabrication should never be done until you have the product in hand to take exact measurements. While every attempt is made to make sure product specifications are accurate in these pages, there is the possibility the products have been updated or a small variance between production has made the measurement off from what's in this book. Installation of our products may require some fabrication experience, and in no way does warranty cover installation mistakes.
